LEVEL GUIDELINES:

What Level Do I Choose? Level I, II, or III?

Jam On It Basketball Academy has developed a system for coaches to choose the proper level of competition to place their teams. We have had many calls and questions regarding coaches looking for direction in what level their teams should be in. To keep teams from “Sand Bagging” and to keep some kind of parity in the divisions, we needed to establish guidelines and special rules. **If both coaches agree, they may play by a specific level's rules for any given game.**

The main problems we have experienced are teams in level II that should be in level I, having unfair advantages. We have broken down the levels for you below.

Level I- Regular basketball, competitive all-star teams, top of division teams, elite teams, and made up of players from different schools.

- Regular Jam On It tournament rules
- **Teams can press the whole game unless the lead reaches 30 points**, teams may press again when the lead gets below 20
- Clock will run the last 4 minutes of the second half if a team is up by 30pts
- Any team with players that have grade exceptions

Level II- Competitive teams looking for better competition but are not close to the best in their region. Teams may have players from multiple schools. Because of a few older players they may have had to move up.

- Regular Jam On It tournament rules
- **Teams can't press in the first 8 minutes of the game** or if the lead reaches 20 points, teams may press again when the lead gets below 15
- Clock will run the last 4 minutes of the second half if a team is up by 30pts

Level III- Recreational teams, same school teams, or teams that play in rec leagues. Ex: recreation teams from the same rec league, nontraditional starters, players that may not have made their school teams

- **Teams can't press in the first half** or if the lead reaches 15 points, teams may press again when the lead gets below 10
- Clock will run the last 4 minutes of the second half if a team is up by 30pts.

NO Pressing Definition:

Once a team maintains team control in the back court during a live or dead ball situation, the defense must go behind the half court line. 1st violation will warrant a warning. Every violation after will warrant a team technical foul.

Important Division Note: Divisions with no level specified in the division name or combo divisions will play by level 2 rules.

We welcome your comments.

It is at the tournament director's discretion to make any exceptions.

Expectations & Consequences: Any display of aggression or unsportsmanlike conduct will lead to serious consequences for the individual(s) & team(s) involved. Such incidents may result in suspension from Jam On It events with the possibility of indefinite bans based on the severity of the incident. In extreme cases, Jam On It reserves the right to pursue formal criminal charges. Coaches are expected to share this policy with all athletes, spectators & other members of their organization, helping to promote sportsmanship at every level of competition. **COACHES, IT IS YOUR RESPONSIBILITY TO ENSURE YOUR ORGANIZATION ABIDES BY THESE EXPECTATIONS.**

Spectator Behavior: Jam On It values enthusiastic support from parents & spectators which contribute to a vibrant youth sports atmosphere. However, we do not promote any behavior which may contribute to a toxic atmosphere, including over-emotional or disruptive behaviors. Spectators are expected to set a positive example of respect & composure for all children present. Cheer for your child or team; you may not disparage or direct negative comments towards other children or the opponent. Should behavior become disruptive, the spectator may be asked to leave the event, in some cases their child may also be required to leave. In severe cases, the tournament director has the authority to clear the court or call the game if necessary, & no refunds will be issued.

The following behaviors are not permitted:

- Multiple ejections will lead to ineligibility for the rest of the tournament.

Additional Team Fees & Fines

Teams will be charged the following additional fees or be fined for the following circumstances listed below. These requests and issues take up our staff's time and force them to shift their focus from other important tasks regarding tournaments. If you meet deadlines and do things correctly, you should be able to avoid these fees and fines. Teams who do not pay any fees and fines will not be included in future tournaments.

- **Late Registration: \$100**

(any registration after the initial deadline which is usually 3 weeks prior to the tournament).

- **Late Division or Level Change: \$50**

(any team trying to change divisions after the schedule has been posted). Most of the time this is not possible, but sometimes it is.

- **No Show Forfeit: \$75**

(any team who intentionally forfeits by missing the game). This is in place to deter teams from not showing up which results in their opponent not receiving a game that they paid for. Fees can be used to help us schedule makeup games whenever possible.

- **Game Time Change Request: \$75**

(teams who requests that a game time for their team be changed once the schedule is posted). If even possible, this takes time and often causes more work for our staff as it is not as simple as just moving a game. If the event has started it results in us having to pay for the originally scheduled game as well as the game once moved, so this cost will be passed on. No changes are guaranteed.

Protest must be filled out during the hour following the game.
